The Making of the Second World War

The dust jacket for hard covers may not be included. All these stories are fascinating to read and capture the spirit and courage of extraordinary people in this most dramatic yet tragic period of history. Follow the conflict of World War 2 from 1939 to 1945 through a unique collection of historical maps, expert commentary and photographs.

Built OOB except for the tow rope and aerial. An AB Miniatures figure was selected to command Panther 151.

The making of the Second World War (1979 edition)

First, there was nothing unavoidable about the Second World War - there was a series of 'turning points' on the road to war.

Three different types of late factory camouflage were required for this project. There were no steel wheel machines with disc camo and the only commonly identified disc machines were in the first company. No mesh is supplied for the side folding fighting platforms and I sourced some from the spares box.
