### Online:Kassandra

I could go on and on about Cassandra but if I did it would take forever and tell her in person. So I would keep a close eye out for any ritual vessels, braziers, reagents, and so on. Do you not hear them? I have business in —perhaps we can reconvene there once you've made your inquiries with Xukas.

### Urban Dictionary: Kassandra

Not to hear mumbling about some hatchling's name-day.

### Kassandra

Surely you wouldn't fight the will of the roots. Our ancestors used them to store the raw magicka that falls from the sun—thus their radiant yellow hue. As you can see, we have visitors.

### Kassandra (Gemeinde)

Find her, and plead our case.

### Urban Dictionary: Kassandra

Not for you, and certainly not for me. You'll forgive me if I don't elaborate. Not long after, his twin brother Ignacio discovers that Kassandra is the true heir to the Arocha fortune and he tricks her into marrying him.
