Collected essays : Baldwin, James, 1924

I did not expect the collection to be so complete, but it was a good book to spend a few months with, to get into Baldwin's head and to feel his tangible pain as the civil rights movement faltered.

James Baldwin: Collected Essays

A collected work that does not contain an index to the entire contents could be considered a major deficiency.

The Collected Essays of John Finnis

For even when the worst has been said, it must also be added that the perpetual challenge posed by this problem was always, somehow, perpetually met. I will absolutely revisit it, however, as I feel Baldwin understood and articulated racism better than anyone that I've read anyway with poetic, sharply intelligent prose.

Collected Essays, Volume 5: Philosophy; Autobiography & Miscellany

A beautiful, inspiring writer of clear vision and moral character, and a beautiful man.

Collected Essays by Aldous Huxley

His analyses of America are absolutely cutting and struck a chord in me that I wasn't even really aware of. Is it formal or informal? An interesting intellectual self-portrait of a mind striving to see above and beyond the mid-20th century, but that's all. The core of Finnis' theory, articulated in his seminal work Natural Law and Natural Rights, has profoundly influenced later work in the philosophy of law and practical reason, while his contributions to the ethical debates surrounding nuclear deterrence, abortion, and sexual morality have been a powerful, and controversial exposition of the practical implications of his theory of natural law.

Collected Essays, Volume 5: Philosophy; Autobiography & Miscellany

Not sure what happened there. Toni Morrison, volume editor, was the author of numerous award-winning novels, including *Love, Jazz, Song of Solomon, Sula, The Bluest Eye*, and *Beloved*, which won the 1988 Pulitzer Prize. The Writing Lab and The OWL.

Collected essays : Baldwin, James, 1924

But what is wrong with America is what exercised Uncle Jimmy for decades, and led to such stirring and anguished cries from the heart as *The Fire Next Time* and *No Name in the Street*.

James Baldwin: Collected Essays

Do the contributors all come from the United States or are there any international contributors? *Anti-Poverty Land Reform Issues Never Die: Collected Essays on Development Economics in Practice*. His prose is unlike anything. Also, thoughts on and little jewel-like appreciations of Earl Hines, Ingmar Berg Finally finished this monumental collection of righteous polemic and astute diagnosis right now, in 2021, just as a new era promises better things in America.
