China as a Great Power: Myths, Realities and Challenges in the Asia

But even in these two areas, the message is a far from straight forward one.

Select Publications by Professor Greg Austin

Furthermore, ugly racial reactions against the growing presence of ethnic Chinese in Southeast Asia is once again stirring ancient prejudices.

China

And this complexity is only enhanced by the rising interdependence among nations within the region. A broad-based decoupling of the U.

America's Military Is Nostalgic for Great Power Competition

This is dramatically demonstrated with the following data points. Pursuing cooperative efforts with Beijing will not only advance U.

China

Update, strengthen, and reform the World Trade Organization The U. In relatively democratic Muslim-majority countries, greater public focus on Xinjiang as a religious freedom issue could help to create pressure on governments to respond.
