Beginning around this time, British and other Europeans settled primarily on the.

The Immigrant Archive Project

Women gained the right to vote in most countries. The partition of Pakistan from India in 1948 and the creation of Bangladesh in 1971 also affected the immigration from South Asia.

Immigration to the United States after 1945

Like those who came with refugee status, immigrants who were granted asylum could work and receive government assistance. Even here the immigrants came mostly from England and Scotland with the exception of Pennsylvania, with a large Germanic contingent. The Texas Klan even had one of its own, Earl B.
