### How social studies instruction can help kids make sense of the world

Fortunately, social studies is a pretty all inclusive subject. McMurren, NCLB Year 5: Choices, Changes, and Challenges: Curriculum and Instruction in the NCLB Era Washington, D. Beginning with a review of the purpose of social studies education and the major responsibilities of teachers, this paper goes on to discuss various approaches to citizenship education, including the verbalizing of perceived values at the elementary and secondary levels; the study of persistent social, economic, and political problems; the acquisition of decision-making skills; and the participation and direct involvement of students in community and school projects.

### Why and How I Teach With Historical Fiction

This in turn helps students to understand their place in the world. What is a want and a need inside your house? Visit CANVAS, PBS NewsHour's art hub. Photo courtesy of Marvel Comics The reactions from students stem from true excitement and personal connection to consternation that such beloved characters might be changed to suit current political or societal viewpoints.

### Teaching Strategies in the Social Studies Classroom

Interest which can then turn into lesson-long, life-long engagement. Of course, your questions will change based upon your topic and objective, but it is a great way to stir up initial interest.

### Courageous Conversations in the Classroom

This past spring, I interviewed 5th grade teachers in three Northern California districts about the teaching of social studies for a small pilot study. Historical fiction, while enhancing understanding of the past, can help you integrate social studies across the curriculum.

### Why and How I Teach With Historical Fiction

Please note that all student follow-up practice sheets can be shrunk and placed into a student journal.

### **How to Teach Social Studies to Kids**

I give them enough exposure to the time period so that their symbols are culturally accurate as well as intellectually on target.
