## Shrink Fan's "Small Change"

I love her journey--her steadfast refusal to compromise on her work and achievements or to feel guilty about not making more time for a man, followed by her realisation that maybe she wasn't the one setting her own targets, and she needs to define for herself what success means. Parrish has a very wordy writing style that can cause stumbles and this book is an abundance of internal thoughts. Teachers also can access comparative data on the electronic database to identify trends.

## Chapter 1. Our Model for Community Change and Improvement

The way I feel about you? Quality Progress The brief history of PDCA and an example of PDCA in action help establish the use of this cycle for continuous process improvement. I have to remember to never use figures of speech with Kenji. He is such a great guy.

Social networks are a way to interact with others and explore the web to find people with same interests.

## Small Change: Money, Political Parties, and Campaign Finance Reform

Ginger is a strong, independent woman who's very set in her ways. I knew you were the type to plan ahead.

## One Small Change: Make a S.M.A.R.T Resolution

The Plan-do-check-act cycle Figure 1 is a four-step model for carrying out change. There is never a right time to do a difficult thing.

## How do your measure change? Say hello to The Change Index.

Maybe I'll know once I get some thoughts out.
