Then they stood back from him a couple of yards, and let him get up. But nothing would do the piper till he would put the old pipes on him to show the priest that his story was true. Towards Cappagh he went, stepping out as lightly, and springing up at every step as if he had been all his life a dancing-master.

Biddy thought so too, and accordingly off she set one fine morning at day-dawn, giving Jack a strict charge to have an eye to the place. And that's what the gentry are.

## Irish Fairy and Folk Tales by W.B. Yeats

I have a ten-penny piece in my pocket for my mother, and she wants snuff.
