### Feeding and fueling China in the 21st century

July, 2002: Greenhouse gas emissions and constraints to mitigation in the small island states of the Caribbean. Wind profile estimates for a hardwood forest.

**Prof. Virginia A. Teodosio, Ph.D.**

November, 2000: Workshop on GHG Inventory and GHG Abatement Strategies.

## Office of Research and Graduate Affairs: Emeritus Professors of the University

NRCAN Adapting to Climate Change in Canada Conference, 2005. This study proved that the addition of superplasticizer can increase the workability and strength of concrete containing bottom ash as replacement for cement. March 21-22, 1995, San Juan, Puerto Rico.

## IOP Conference Series: Earth and Environmental Science, Volume 476, 2020

It shows that the addition of 6% LDPE can improve the performance of the asphalt mixture in receiving repeated loads due to tire repetition, as well as increasing crack resistance. Maximum dry density MDD, natural moisture content, California Bearing Ratio CBR value, cohesion, and Atterberg limits test were used to analyse the soils. June, 2010: Poverty Environment Initiative PEI Workshop.

## Natural fibres: An opportunity for job creation and improving livelihoods

The challenge is to make composites with properties that are not overly compromised by the use of low technology. Adaptation Learning Project

Workshop, Environmental Adaptation Research Group, Environment Canada, Downsview- Ontario, November 12-13 th, 1998.

**Natural fibres: An opportunity for job creation and improving livelihoods**

Performance, nutrient utilization and economy of production in broilers fed sweet potato and soyabean-based rations. Sixth Asian Symposium on Medicinal Plants and Spices, Bandung, Indonesia, January, 1989 Proceedings. Competition for resources in a changing world :New Drive for a Changing World.

**IOP Conference Series: Earth and Environmental Science, Volume 476, 2020**

He was an Instructor of the Department of Psychiatry from 1954 to 1957, was appointed as an Associate in 1957 and became Assistant Professor in 1958. The fair on 3 July had dwindled to a fair for the sale of scythes by the mid 19th century, and even that was nominal by the later 1860s.
