Feeling I need to get it right or close to pretty quickly. See more ideas about curriculum, junior high, homeschool.

Homeschool Curriculum for High School

A walk in the brisk air, the scavenger hunt for natural objects that are lovely to see and touch and smell and shake, the artful arranging and rearranging of the bounty — these refresh the senses and clear the cobwebs out of minds. These books are a great jumping off point for unit studies. For this writing prompt, students will first use their creative skills to design gadgets using simple items in their homes.
