The Demographic Challenge: A Handbook About Japan

Aussi, les entreprises dont la rentabilité dépend de l'amortissement d'investissements à long terme ont une dépendance locale particulière. In: Ambio , 31 4 : 272-284. However, universities have started accepting more kikokushijo, which has been facilitated by the more flexible entrance systems that are being introduced see Chapter 8.

JAPANESE GENDAI SWORDSMITHS

Figure 18 : Trois sites possibles pour le transfert de la capitale Le groupe appuyant la candidature de Kiō est composé des milieux économiques et politiques de Kinki, et parle ouvertement de la nécessité de déplacer la capitale du Japon pour éliminer la concentration unipolaire à Tokyo. .
