Ezra Pound: The Pisan Cantos

In fact, every country in the world except for one has visited LWF. Thematic links emerge between sections, but no synoptic thread is obvious on a first reading; the reader is tasked with engaging both with each epigram individually and the sequence as a whole. It was the beginning of March and exceptionally warm.

EZRA pound and the ideogrammic method

The Agathias-Palladas transition suggests a bitter coded analogy between H. One is working on the life vouchsafed, I should think.
