In relation to us as humans, the opening chapters of Romans are as depressing as they are true to our human experience.

The Early Church Believed in the Eucharist

From Macarius of Egypt to Seraphim of Sarov, the mystics of the Christian East have held that communion with God embraces the whole human person, that divine light sometimes shines forth in the very body of the deified human, that this light is an anticipation of the resurrection of the last day.

The reception of the fathers & Eucharistic theology in Johannes oecolampadius (1482

The recent Catechism of the Catholic Church says about anointing that even more rightly it is given to those at the point of departing this life; so it is also called sacramentum exeuntium the sacrament of those departing. These are some of the questions which we may address to The Book of Margery Kempe and that it may answer for us. Rather than the porousness of categories—symbolic and social—licensed by incarnational practice, he insists, contrarily, on a hierarchical model which erects a ladder of social and linguistic condescension.

Bibliography of the History of Christianity

Like Wolterstorff, he speaks of the transformative, and not only the revelatory role of the arts.
