Lost in Translation: 9 International Marketing Fails

In the early eighties, almost the entire production of Ford Brazil's automobile division was comprised of Corcel-related vehicles.

Tips for Avoiding International Business Blunders

Ask a colleague who has experience in the country if he or she will share the most important tips for surviving in that country's business culture.

International Business: Avoid cultural blunders when working abroad

With a little preparation, your experience working abroad can be very positive! Profit margins on soft drinks are large. There, we learned why this line of thought is so important to your profits, and why I told one client, a convalescent hospital, that what they were really selling was peace of mind.

3 International Marketing Blunders:

By reformulating Coke's classic taste for the first time in a century, Coca-Cola created a firestorm that it will probably never live down. Kodak opts to do nothing. Though most people really think of Kodak today as a company that sells disposable cameras and film, they were, at one time, an incredible industry juggernaut. However, in the North the term Orange suggests the Orange Order.

Top 63 International Marketing Mistakes & Pitfalls

New Coke Though the younger folks may not remember this, there was a time when Coca-Cola stepped up to the plate, and struck out in historical fashion. My second thought was that these were replacement parts.

USA TODAY

Lipton periodically have marketing campaigns with it but it is a failure everytime.
