Survivors may cause the deceased to be buried in a secret location or other unpublished place, or in a grave with a false name or no name at all on the marker.

Cremation Confusion

Occasionally and assassins were buried upside down, as a post-mortem punishment and as with to inhibit the activities of the resulting.

Cremation

Many have been removed for study and public display. Alternatively, in some cultures, it is felt that, when a person dies, their possessions and sometimes people connected to them such as should go with them out of loyalty or ownership.

Burial

Families may make this decision to locate the deceased in a more pertinent or convenient place.

In addition, there are multiple green burial sites in the United States.

Cremation

In social insects, ants and termites also bury their dead nestmates depending on the properties of the corpse and the social context. Many cultures feel that the deceased should be presented looking his or her finest. The lower class quickly followed suit, copying the newly set traditions of the upper classes.
