It also shows detailed step-by-step information about calculation procedure.

Subtraction of Decimals worksheet

In fact, I created one just for Math Geek Mama Readers. Follow these steps if you need to subtract decimal numbers without a calculator.

Subtracting Decimals Calculator

We'll make sure to add the 1 we carried. We add 10 to the 2 to make 12 and subtract 1 from the 7 to make 6.

Subtracting Decimals Soccer Game

We'll write 5 beneath the line. This is a print and go activity with 4 levels to choose from.
