BEPS 2015 Final Reports

While deterrence is an enduring American strategy, there are two factors that make layered cyber deterrence bold and distinct.

Final Report Summary

A person who does not have time to read the entire report thoroughly must be able to get a picture of the current status of the project through the summary of the status report. HB855 Browser Statement In 2015, the Texas Legislature passed House Bill 855, which requires state agencies to publish a list of the three most commonly used Web browsers on their websites. It can ensure that the project is kept on track, and any problems, no matter how small they are, will be taken care of in order to prevent them from escalating into bigger ones.
