After all, nobody buys the Secret Doctrine to be informed about the history of science.

Contents, Preface

As to those who may reject her testimony,— i. Fragments have survived geological and political cataclysms to tell the story; and every survival shows evidence that the now Secret Wisdom was once the one fountain head, the ever-owing perennial source, at which were fed all its streamlets—the later religions of all nations—from the first down to the last.

Books and Topics

From that time its teachings became Occult, and Magic sailed but too often under the venerable but frequently misleading name of Hermetic philosophy. This--because the most philosophical Gnostic works, especially the doctrines of Valentinus and Marcus--are full of our archaic esoteric ideas. Apart from any use permitted under the Australian Copyright Act 1968 all other rights are reserved.

Books and Topics

But, even the little that is now given is better than complete silence upon those vital truths. The declared purpose of the Neoplatonists was to demonstrate the reality of a fundamental wisdom, to draw together the wisdom teachers of every faith, and likewise to sow the seeds for a unification of faiths.
