In the twentieth century the communications revolution continued with innovations such as the motor car, aeroplane, large bulk carriers, container ships and pipelines for oil and gas.

Bergholm, Tapio 1958

This is perhaps the most obvious difference between countries. Christians believe in an afterlife where those who have lived a good life will reside in heaven with God, and those who have lived an unrepentant life of sin will be punished in hell. In the 1980s, alienated Americans flock to the promises of Christian fundamentalism.

Climate Change History

As the Islamic state and religion expanded, interpretations of the gender roles laid out in the Quran varied with different cultures. Stealing lives: The globalization of baseball and the tragic story of Alexis Quiroz.
