Forrester, Legasto and Lynéis System Dynamics Undated D-3105 2 1979 Jay W.

ADHD symptoms impact smoking outcomes and withdrawal in response to Varenicline treatment for smoking cessation

In general, the Project Description should indicate the work to be undertaken, the methodologies to be employed, the schedule according to which the work will be carried out, and the roles and qualifications of the project participants. Proposers that submitted via FastLane are strongly encouraged to use FastLane to verify the status of their submission to NSF.
