If possible, verify the text with references provided in the foreign-language article.

Takeshi Umehara

This excavation unexpectedly revealed an extraordinarily large Jomon settlement: by the summer of 1994, more than 500 pit-dwellings had been

recovered along with numerous other types of features. Soon after his admission however Umehara was conscripted into the army, and only managed to return to his studies in September of that year.

Takeshi Umehara

Reading their work made Umehara resolve to dedicate his life to philosophy. In case of claims by third parties, authors commit their self to defend the interests of the publisher, and shall cover any potential costs.
