New Criminal Law Review

Criminal law is different here: the inferior status of municipal courts exerts a gravitational pull on the law itself, blurring definitional lines between criminal and civil, and injecting informality into a relatively formalistic jurisprudential culture. Vice Articles Editor 2 Vice Articles Editors are responsible for shadowing the Chief Articles Editors and assisting Chief Articles Editors in their work for the CJLR. Kreindler Professor of Law, Harvard Law School.

Journal of Criminal Justice and Law: A Publication of the Law and Public Policy Section of the Academy of Criminal Justice S

At a minimum, this involves vetting the first draft of each article that is to be slated for publication.

New Criminal Law Review

Accordingly, the more fundamental reform is to elevate the status of the lowest echelons of the American criminal process. The R-Cells had ceilings so high that a tall man could not reach them by jumping. This Article brings local government and criminal justice scholarship together in order to consider how municipal courts might contribute to the newly invigorated debate over local criminal justice democracy.

Criminal Justice Law Review

A reveals how municipal courts fit uneasily within existing normative judicial frameworks.
