## Nord

The station names were written in porcelain instead of the enamel plates used by CMP, and directions to the trains were set out in tiles in the roofs of the tunnels. Das war wahrscheinlich auch der Grund warum die römischen Soldaten gerade hier ein temporäres Lager errichteten, das im Jahr 2001 in Neředín gefunden wurde.

## NORD

In 1901 he proposed, with the financial support of Xavier Janicot, to construct a line between and passing through the and through two parallel tunnels, consisting of a series of metal hoops, at a similar depth to the. Punctele de intersecție ale acestor linii cu orizontul se numesc puncte cardinale și reprezintă cel mai vechi sistem pentru indicarea direcției. The charter provided that the costs of construction and rolling stock would be borne entirely by the concessionaire, although in the case of the CMP's lines, the City of Paris had fully funded the network infrastructure.
