And now I would say that a big writer from Turkey or the Middle East or India is more visible. Courtesy of the National Archives.

**I Write, Therefore I am : Sid Harth**

The University of Chicago has been the home of some of the most important thinkers of the modern age. The long-term significance of the treaty involved the transfer of Canada and all French possessions east of the Mississippi and north of Florida and Louisiana to England. He provides cool information and right-on-target overviews.
