### Washington, D.C.

When Virginia seceded from the Union after the start of the at , Robert E. In 1940, Meadowbrook Company started building homes in the Northside section north of Lee Boulevard and east of Lubber Run.

### 10 ARLINGTON ideas

The oldest church on Virginia's Eastern Shore, it dates from about 1678. During the war, Union troops used Woodbourne as a military hospital, burying unfortunate Yankees in a cemetery in the back yard.

### Arlington House: How Robert E. Lee's Home Became a Cemetery

Sharp It has been quite a few years since horses grazed on the north side of 31st Street and families with young children were moving into new homes.

1/61

We always returned them once the novelty of having an unlimited collection of snakes wore off and after the field cooled down. In 1724, Lord Fairfax granted 432 acres to James Robertson. In 1939 he sold to W.
