If you know of a local business that could use some extra support during these times, please nominate them here: The small town of Circleville and the people of Pickaway County began to encounter what some might call a real-life-A -from-Pretty-Little-Liars-experience in the late 70s when thousands of individuals started receiving personal, mysterious letters about their lives. Presuming on a factual background, this displays -- in no modest terms -- the exploits of-sharps shooting Annie Oakley; the origins -- and unique development- of Proctor and Gamble, proving it's clean ; the acclaim of an amateur astronomer; the importance of a canal digger; the part Reverend Basoom played; the fabulous character of Mike Fink; Tytus and his belief in continuous sheet steel and its necessary continuous mill; Lottie Moon and her unbelievable career as a Confederate spy; the Shakers and their part in the establishment of the Poland China porker; Campbell and what he did in the iron business.
