Confident Parents. Peaceful Homes.

And as I reflected on my craving to weed through them all, I realized how much my book collection reflects my current reality, ideologies and even identity. Sign up for Nicole's newsletter. It helps grow my trust and faith in humanity.

Having Confidence in Your Parenting Style, Approach, and Decisions

Make sure your teen knows what you expect of them.

Confident Parent

Consider your morning, bedtime and meal times and other transitions in the day. And for Talk about Screen Time Limits and Expectations. In addition, my son, thirteen-years-old, joined me in getting rid of outgrown stories and growing and expanding his own book selection with the purpose of expanding his empathy and social awareness.

Confident Parents. Peaceful Homes.

Turn off devices and media. This book is an excellent guide to understanding how to validate your angry feelings and use them to create change in your life. You likely have a pile, a bin or a busting-at-the-seams binder as we do! Time pressures wear away at our patience and add a layer of anxiety to an already charged moment.

Be a confident parent

Can you believe every book on this countertop I am passing along to some other reader? And the snapping back can hurt us. So after the wounds have been cleaned and bandaids carefully placed, how can you offer a quiet, soothing activity in which they can return to feeling better? Take care of yourself Change can be stressful, and you might find yourself worried and wondering if you can cope. I wanted my summer sunshine dreams of lemonade stands, library visits, and creaking at local parks to roll off my tongue but instead, my mind was a-jumble.

Having Confidence in Your Parenting Style, Approach, and Decisions

This will help both you and your child transition back to feeling better. This is an ideal time to help cultivate empathetic thoughts in your child. Notice when others are hurting and question why together.

Confident

So how do you manage your own big feelings when your child is in pain? We are, unfortunately, raising a generation that is far too self-consumed and...most of it is our fault.

Confident Parents. Peaceful Homes.

I love this example at Pitt River Middle School.
