Native Theater at NMAI DC: Auditions for THE CONVERSION OF KA'AHUMANU

With the decrease of the Hawaiian population, Catholic missionary efforts began shifting their ministry toward these newcomers. Yet despite the fact that the airport is literally right across the Queen Kaahumanu Highway from the ag park, there seems to be no interest in connecting the neighboring state facilities and getting that extra water to the ag park.

Family conflicts, sexuality, social upheaval, betrayal. Its captain, Cyril Laplace, demanded religious freedom for Catholics in Hawaii.

Why?: the first question in overanalyzing: The Conversion of Ka'ahumanu

Under the new mantle of religious liberty, the Catholic mission enjoyed a quick revival. The fifth vicar apostolic, Bishop Stephen Alencastre, grew up in Hawaii having immigrated to the islands at age five with his family. The way the native Hawaiians marked the Kaua wasn't actually that surprising to me.

They arrived on July 7, 1827, celebrating the first recorded Mass on Hawaiian soil six days later in Honolulu on July 13. Vincent is currently a producer of Native theater and performing arts at the Rasmuson Theater of the National Museum of the American Indian in Washington, DC.

But Still Like Air

Add too a little help from our friends in Washington. The first, landing in September, were the educator brothers of the Society of Mary, or marianists. It would seem that maximizing collaboration between diverse state agencies would lead us a lot closer to that goal.

2019

In 1970, in spite of strong opposition on the part of Bishop Scanlan and the Catholic diocese, Hawaii became the first state in the union to liberalize its abortion laws, predating by one year, the U.
