## Project MUSE

Forged from a partnership between a university press and a library, Project MUSE is a trusted part of the academic and scholarly community it serves. Exhibiting a range of positions Western participants take in these debates, this volume seeks to advance the substance of the debates themselves without prejudging the outcome.

## Prospects for a Common Morality by Gene Outka

How can societies have much the same mores and yet not the same morality? The thinkers of the eighteenth-century Enlightenment, who laid the foundations of twentieth-century social and political science, were in a position also to lay the foundations for an adequate twentieth-century. .

## Prospects for a Common Morality : Gene Outka : 9780691074184

It is neither convincing as a moral foundation nor well compatible with a standard coherentist justification. Kennedy Institute of Ethics Journal 13 3 : 231—258.

## Gene Outka & John P. Reeder (eds.), Prospects for a Common Morality

Exhibiting a range of positions Western participants take in these debates, this volume seeks to advance the substance of the debates themselves without prejudging the outcome. Recent moral and political thought seems Janus-faced. We would be better served, objectors suggest, by a purely secular ethical theory on which all could agree.
