**Winter's Heart : Robert Jordan : 9780312864255**

Faile, with the Aiel Maidens, Bain and Chiad, and her companions, Queen Alliandre and Morgase, is prisoner of Savanna's sept.

**Winter's Heart/Chapter 8**

That certainly stalls in the middle, probably during the circus plot thread. The Wheel of Time turns and Ages come and go, leaving memories that become legend. Without him, modern fantasy would be bereft of the expansive, deep worlds and the giant casts which I love so dearly.

**Winter's Heart**

Why he wanted to pretend that no one else knew he ferreted out information at every town or village they passed, Perrin could not begin to guess. Despite that I still thoroughly enjoyed this 9th book in the series.

**Winter's Heart (Wheel of Time Series Book 9): Jordan, Robert, Kramer, Michael, Reading, Kate: 9781575111117: tools.github.ffxiv.cn: Books**

This is the 9th book and I found it to be just as compelling as all the ones before it. Edarra and Carelle loomed behind the Aes Sedai, dark shawls already wrapped around their heads.

**Winter's Heart**

Were any of them spies for the Dark One? Probably because he was a womanizer? Jordan has a powerful vision of good and evil-- but what strikes me as most pleasurable about The Eye of the World is all the fascinating people moving through a rich and interesting world. There is also a

bunch of boring stuff with Elayne, and some mostly interesting stuff with Rand, and a brief bit with Perrin that was OK. His style is undebatably his own.

Though, I imagine I'll have to wait until book eleven to do so.

**Show Chapter**

But they didn't know that! Concentrate as she would, Seaine could not keep her mind on the question.
