Schreibmeister

My favorite authors are Materot, Velde, Maria Strick who won a prize for her Italian hand , Frisius, Roelands, Cocker... And for the : Ayres, Snell and Shelley among others. There are many links, even though many are not top quality, some are quite usable for calligraphy study. Diese Schriftarten waren damals noch nicht primär für den Buchdruck gedacht, sondern als Vorlage für künstlerische Inschriften.

Esemplare di piv sorti lettere : Cresci, Giovanni Francesco, active 16th century : Free Download, Borrow, and Streaming : Internet Archive

John Langton, New Copybook, 1723 Of course, this is only speculation... Either way, 18th century British writing masters used Italian capitals with Italian hand lowercases as well as with round hand lowercases... Which makes it harder for us to see the difference between them. Von diesem Buch wurden insgesamt nur 160 Exemplare gedruckt.

The Italian Hand

Die Querlinie sollte ein Drittel der Dicke des rechten Beines aufweisen, wobei die obere Linie mit der Horizontalen in der Mitte des Quadrats zusammentreffen sollte. The method may have paid off in some cases, but it also brought about the mistrust of the general public towards engraved copybooks. See Bonacini Letterpress title and preliminary text within ornamental borders of putti and masks.

Esemplare di piu sorti lettere; edited, with an introduction and translation, by A. S. Osley

The first writing manual on Cancellaresca Italic script. Die Größen der Serifen ähneln jedoch eher denen von Pacioli. Esemplare di piu sorti lettere di M.
