### Architecture

O God you are the protector and helper of  
the meek and poor.

### Historical Analysis of Nanak Prakash

From Pyakochin the Guru is stated to have  
crossed over to Chumbi Valley through  
Ghora-la, en-route to Bhutan. Emphasis  
has also been placed on buildings with rich  
frescoes and artwork, that would preserve  
them in print as many of them are on the  
verge of crumbling. Even if Mata Tripta Ji  
was not wearing any jewellery even then  
she remained beautiful and elegant.

### BHAI SANTOKH SINGH SURAJ PARKASH PDF

The Lord Sri Guru Nanak Dev Ji is  
illuminating in form and beautiful. Under the  
guidance of Giani Ji, Santokh Singh gained
