For more information on how to submit claims via an X12 electronic claim transaction, please click. Have you forgotten your password or has your password expired? Beginning October 4, 2018, all providers will be able to reset their password and unlock their accounts via the Web Portal.

DoD Foreign Clearance Guide

Additional information can be found in the , located in the FAQ section of the Managed Care Support page. Providers are encouraged to visit the revised Background Screening page to review new information related to the types of screening activities that are performed by the Agency, as well as general information related to the requirement for providers to disclose ownership and controlling interest information and to submit to fingerprinting. Users will continue to access the system by using existing Usernames and Passwords.

DoD Foreign Clearance Guide

Resources available to providers include the updated Florida Medicaid Contact Information Sheet found on the page of the public Web Portal. Staff is available 8:00AM — 5:00PM Eastern Time. The new codes are now available for providers to select when applying to Florida Medicaid.

Home

The correspondence includes detailed information on why a provider was placed under such a restriction, including contact information for questions related to the action.

DoD Foreign Clearance Guide

The Agency of Health Care Administration has published a , located under the Tip Sheets section of the Managed Care Support page on the Medicaid Public Web Portal.
