. A CMA or CA is delineated using adjacent municipalities census subdivisions as building blocks.

Pakistan Provinces

Later, the regions were modified to consist of counties which define the zone of influence of a major urban centre or metropolitan area.

Census division (CD)

Two of Canada's three territories are also divided into census divisions. First Nations: Census records in RG10 Record Group 10 contains the records created by the former Department of Indian and Inuit Affairs. They are purely geographic regions; some correspond to historic countries, states or provinces.

Standard Geographical Classification (SGC) 2016

In addition, a fourth table provides 2011 Census population counts based on the census subdivision boundaries of each January and July 1 st for census subdivisions affected by a boundary change during the period 2011 to 2016. .
