All the content is developed and written specifically for women by the experts at Women's College Hospital.

Women's College Hospital

Chase completed post-graduate studies in diabetes at the University of Rochester, New York. Before nursing students were allowed to perform nursing duties in the wards of the hospital, they practiced basic techniques in the classroom. When she was 10 years old, a governess, Miss Edgeworth, a poor gentlewoman, was employed to educate Garrett and her sister.

My Health Matters

She also employed a tutor to study anatomy and physiology three evenings a week.

Women's College Hospital

The encampment communities pre-date Covid-19, but their numbers have swollen during Covid times.
