In 1842, Botta discovered Khorsabad, and two years later Layard excavated at Nimrud.

The Significance of Ancient Mesopotamia in Accounting History

Many of these record daily activities in the form of records and letters, and most deal with the administration of the great bureaucracy based on the temple that skillfully and methodically administered affairs in southern Babylonia from Ur to Sippar.

Scottish contributions to society

. Much of the content of legal records is relevant to accounting.

A Scottish Contribution to Accounting History (Electronic book text): T.A. Lee: 9781000167559

The problem was that the two Edinburgh banks concentrated the provision of most of their credit in Edinburgh. Edinburgh is the fourth largest financial centre in Europe after London, Frankfurt and Paris. The existence of the note exchange also brought more mutual respect into inter-bank relations.

Scottish contributions to society

Part of the arrangements under the Act of Union 1707 provided finance to compensate the subscribers.

History of Accounting From Ancient Times to Today

Princeton: Princeton University Press, 1969. Following the failure of 60 banks in England with considerable losses to the public an Act was passed forbidding the circulation of notes under £5 in England.
