The CIA team was soon joined by U.

### We Lost the War in Afghanistan. Get Over It.

A Hobbesian war of all against all prevailed in these two provinces for a time, allowing the most radical Islamic groups to establish terrorist training camps there, assisting Indonesia to become the country with the highest frequency of terrorist bombings in the world until 2002, after which Iraq, Afghanistan and Pakistan took over this mantle.

### Afghanistan: Lessons from the Last War

The aid program was also bedeviled by waste and by confusion over whether civilian or military authorities had responsibility for leading education, health, agriculture, and other development projects. In late October, forces began to overtake a series of towns formerly held by the Taliban.

## **A Legal and Policy Risk Analysis of the Erik Prince Plan to Privatize War in Afghanistan**

An autonomous or semi-autonomous system of governance is required to maximize while accommodating cultural norms and launching. For example, lawsuits filed by those injured by contractors may expose government decision-making processes.
