## Milton's Paradise Lost

This discussion is divided into eight sections.

### Sympathy for the Devil? The Role of Satan In John Milton's Paradise Lost

He seemed not to like answers, only questions.

### The Mystery of Iniquity by R.C. Sproul

Does it lead to the conclusion that there is no All Perfect Being? We cannot sense the deity god and so for materialism there is no such being. One problem which Milton addresses, the existence of evil itself, Danielson believes is the most critical argument that is brought up. On Earth, Adam is superior to Eve; humans rule over animals.

### Satan and the Problem of Evil: miltonic — LiveJournal

If I am responsible in part for the killings then what about God who gave Joe life and knew for sure what Joe would do with that life? The deity is thought of as the everlasting eternal entity. On the one hand, there are metaphysical interpretations of the term: God is a prime mover, or a first cause, or a necessary being that has its necessity of itself, or the ground of being, or a being whose essence is identical with its existence.
