## Official Guide to Government Information and Services

A portmanteau of Internet and aristocracy, netocracy refers to a perceived global upper-class that bases its power on a technological advantage and networking skills, in comparison to what is portrayed as a bourgeoisie of a gradually diminishing importance.

## Federalist Nos. 41

It is in vain to oppose constitutional barriers to the impulse of self-preservation. Had no other enumeration or definition of the powers of the Congress been found in the Constitution, than the general expressions just cited, the authors of the objection might have had some color for it; though it would have been difficult to find a reason for so awkward a form of describing an authority to legislate in all possible cases. Many countries have created autonomous regions by delegating powers from the central government to governments at a sub national level, such as a regional, state or local level.

## Official Guide to Government Information and Services

The States cannot separately make effectual provisions for either of the cases, and most of them have anticipated the decision of this point, by laws passed at the instance of Congress. It cannot be doubted that this will always be a valuable source of revenue; that for a considerable time it must be a principal source; that at this moment it is an essential one. The President, who is the head of the executive department, is the presiding member also of the Senate; and, besides an equal vote in all cases, has a casting vote in case of a tie.

## There Is Power in a Union

Republics with an elected head of state, where the head of state is also the head of the government. Governments of dissimilar principles and forms have been found less adapted to a federal coalition of any sort, than those of a kindred nature. A supply of the omission is one of the lesser instances in which the convention have improved on the model before them.

## Illinois Constitutional Amendment Would Entrench Public

It may well be doubted, whether a militia thus circumstanced could ever be conquered by such a proportion of regular troops.
