**A Comparative Study of the Aesopic Fable in Nicole Bozon: A Dissertation Submitted to the Board of University Studies of the Johns Hopkins University ... of Doctor of Philosophy (Classic Reprint) : Harry, Philip Warner: tools.github.ffxiv.cn.au: Books**

Each fable must be carefully compared with the corresponding fables in other collections in order to ascertain the relationship, if any, which exists among them. Thus, it is only by a careful comparison of the fables of Bozon with the corresponding versions found in the various fable collections that any true light can be thrown on the sources of the fables cited here and there in his work. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
