The political significance of fragile

masculinity

French medical, theological and judicial literature, however, shows that testicles were ambiguous proof of embodied masculinity, since they could be hidden internally and the individual mistaken for a female or for an impotent man; or if they were separated they could as we have seen be mistaken for female genitalia.

Masculinity, Psychoanalysis, Straight Queer Theory: Essays on Abjection in Literature, Mass Culture, and Film by Calvin Thomas

But true, adulterated masculinity gives no credence to lip service.

Male Matters: Masculinity, Anxiety, and the Male Body on the Line . By Calvin Thomas. University of Illinois Press, Chicago, 1996, 225 pp

This being said, anything worth doing once is worth doing right, and the payoff you get from developing a real alpha mindset is worth it.

Review: [Untitled] on JSTOR

Consequently—she became very attracted to him, because she saw that he had firm boundaries and was an alpha male. This was also a case that attracted attention at a local and national level.

Not All Masculinity Is Toxic

To me, this says something about the unusual significance we continue to grant the penis, along with our cultural need to carefully regulate its representation. And when men make themselves vulnerable by disclosing a weakness at work, they are perceived to have lower status. Individuals with great potential and potentially world-changing ideas...who lack the backbone to stare down resistance and actually bring that potential into

reality.
