As a Palestinian affairs writer for Israel's Ha'aretz newspaper, Hass bravely moved to Gaza City and worked as a foreign correspondent rather than reporting on the region from the safety of Tel Aviv. We drove to the shore and, somewhere between Gaza City and al-Shatti camp, I tossed it into the water. She covers the years 1993 through to 1998 in the aftermath of the intifada and just after the Oslo treaty when Palestine was given a small measure of home rule.

He must have been aware as well of the poor, amateurish military training he and his comrades had received in the Jordanian training camps — insufficient to present a real strategic threat to the State of Israel. About the Author Amira Hass was born in Jerusalem in 1957, the daughter of Yugoslavian-Jewish refugees.

That Hass lived among Gazans and provided a window into their world makes her book intermittently readable. In other occasions one can draw parallels with descriptions of anti-semitic policies in central and eastern Europe in the 19th and early 20th centuries.

Since the Gulf war, Israel implemented its closure policy to close off the borders any time it felt like. She portrays herself as a journalist with integrity but unprofessionally weaves herself into the narratives of others.
