## Satire and Irony

Candide reveals itself as a long-gone-road-trip Journal of genuine charitable naivety.

## Character List

And Cunégonde conceded that he was not without his attractions but added that he had little philosophy since he had not been schooled by Doctor Pangloss.

## Works

His soul was revealed in his face. The magistrate began by fining him ten thousand piastres for making a noise; then he listened patiently, promised to examine into his affair at the skipper's return, and ordered him to pay ten thousand piastres for the expense of the hearing. This element of Candide has been written about voluminously, perhaps above all others.

## Character List

A proposal was then made to Don Issachar that he should resign me to my lord.

## CANIDAE®
