### Project MUSE

Two developments symbolized the transformation in North America: Canada and the United States transcended the political barriers that had long defeated efforts to.

### Canada and the United States (1994 edition)

The parliamentary system permits longer political careers; after Franklin Roosevelt successfully defied the two-term tradition, a constitutional amendment limited U. The British Statute of Westminster in 1931 made Canada technically autonomous within the empire, but Britain remained a significant third presence in Canadian calculations about the United States.

### The United States and Canada: Neighbors, Friends, and Allies

Distilling a mass of detail concerning cultural, economic, and political developments of mutual importance over more than two centuries, this survey enables readers to grasp quickly the essence of the shared experience of these two countries.

### Canada and the United States: Ambivalent Allies on JSTOR

Distilling a mass of detail concerning cultural, economic, and political developments of mutual importance over more than two centuries, this survey enables readers to grasp quickly the essence of the shared experience of these two countries. Book Description: The United States and Canada have the world's largest trading relationship and the longest shared border. In addition, there is new material on such topics as energy, the environment, cultural and economic integration, the wars in Iraq and Afghanistan, border security, missile defense, and the second administration of George W.

**Canada and the United States : ambivalent allies : Thompson, John Herd, 1946**

In sum, this important and useful volume, enriched by impressive footnoting and an exceptionally thorough bibliographic essay, deserves careful study and wide circulation. Because it is impossible to depict U. .
