### Dear Sarah,

This is not about Obama.

### Sullivan Ballou

In place of his body, charred ash and bone believed to be his remains were reburied in Providence.

### Sullivan Ballou

No one was insulting just an expression of opinion. I have a friend who is basically a liberal Democrat but was a great admirer of John McCain. If Obama had never even been born, this heat that Trump is getting would still be there with the same intensity because the problem is Trump, his sordid background, his bad behavior, his ineptitude in office, and more vile lies than I have ever seen any politician in any party tell—and he does it with absolutely zero conscience.

### Dear Sarah (film)

You are spreading the Gospel of that Jesus exponentially.

### Dear Sarah (film)

The memories of the blissful moments I have spent with you come creeping over me, and I feel most gratified to God and to you that I have enjoyed them so long. He said no such thing. You are being ironic, right?! A couple years later, I saw her speak at a Conservative Political Action Conference in Washington.

**Dear Sarah,**

He once told me he toyed with the idea of voting for McCain over Obama—until McCain picked Palin.
