

# Liquid-phase oxidation of hydrocarbons

Plenum Press - Liquid Phase Oxidation of Isobutane

Description: -

-

Hydrocarbons.

Oxidation. Liquid-phase oxidation of hydrocarbons

- Liquid-phase oxidation of hydrocarbons

Notes: Includes bibliographies.

This edition was published in 1967

Filesize: 13.23 MB

Tags: #Liquid #Phase #Oxidation #of #Isobutane

## The Liquid

The decrease in the reactivity of all peroxy radicals is a result of the accumulation of hydroxyl-containing oxidation products: hydroperoxides, alcohols, acids, and water. For methane, it is 1.

## The Oxidation of Hydrocarbons in the Liquid Phase

For comparison, in recent years, leading oil and gas companies have invested millions of dollars in the development of various aspects of the production of syngas and accompanying processes; this area employs tens of thousands of highly skilled professionals.

## The Liquid

The rebound mechanism is generally accepted for C H oxidation in enzymatic, biomimetic, and inorganic systems.

## Liquid Phase Oxidation of Isobutane

The Journal of Organic Chemistry 2005, 70 12 , 4629-4636. Citations are the number of other articles citing this article, calculated by Crossref and updated daily. The Journal of Physical Chemistry A 2006, 110 10 , 3567-3577.
