## **Inaugural head of midwifery research at NHS England announced**

As a result, NHS Digital no longer supports any version of Internet Explorer for our web-based products, as it involves considerable extra effort and expense, which cannot be justified from public funds. The New England Journal of Medicine; doi: 10. The COVID-19 pandemic means we are in unprecedented times with significant pressures being placed upon our health and care services.

## **NHS Long Term Plan » 2. Expanding the number of nurses, midwives, AHPs and other staff**

Any non-Muslim action that offends Islam will result in uprisings and threats: Guyana — Muslim 10% India — Muslim 13.

## **Midwife shortage doubles as NHS staff diverted to tend Covid**

I have known women to give birth in the most unexpected places — car parks, shopping centres or in the loo. It's absolutely fantastic to see the appreciation and the messages of support from the public in recognition of the important role we do.

## **Midwife**

As a result, staff are terrified of taking time off sick.

## **New training for NHS maternity staff to boost babies' safety**

I anticipate increased use of phone and video consultations in the future. Cutting levels of obesity and smoking not only makes us healthier as a nation, it also reduces a significant burden on the NHS.

## **Call the Midwife: sad news for season 10 in 2021**

Better Births recommends that to improve quality of care, learning and productivity, the NHS needs to make it much easier for health professionals

to collect and share data with each other and with their patients.
