**The Portable Dorothy Parker: (Penguin Classics Deluxe Edition) by Dorothy Parker, Seth, Paperback**

This brilliant jacket art goes beyond the cover, it encompasses an illustrated spine, back cover, and flaps on the inside front and rear. Fantasy money only buys fantasy happiness.

## Dorothy Parker Society

The Portable Dorothy Parker, a collection of her poems, stories, and journalism pieces, was first published in 1944. In this new twenty-first-century edition, devoted admirers will be sure to find their favorite verse and stories. My first impression, which I was proud of myself for making at the time, was that these pieces read like something that would appear in the New Yorker.

**The Portable Dorothy Parker: (Penguin Classics Deluxe Edition) by Dorothy Parker, Seth, Paperback**

Still, there was plenty to enjoy in this collection. In 1944, Parker herself chose the material to include or forget. While I do not think there is too much Dorothy Parker, I do think there can be too much Dorothy Parker in one binding.

## The Portable Dorothy Parker

This is a collection of short stories, many of which focus on the relationships between men and women.

## The Portable Dorothy Parker

Well, I know just how she feels, which might be why I don't always enjoy this stuff so much. They went to Hollywood as a writing team and went through a tempestuous marriage until his death in 1963, when Dorothy Parker returned to New York.

**The portable Dorothy Parker : Parker, Dorothy, 1893**

Her poetry is always sardonic fun. If a man wrote these stories we'd call him gross. Some of the better stories were the shorter ones.
