And as paid artisans, there were of course holidays where the workshop would be closed. Having barely survived five hundred years of war and revolution, the Unicorn Tapestries now hang safely on the walls of the , the medieval branch of the in New York. .

## The History of 'Unicorn'

Three of the men are standing together, the one in the center being the seigneur of the hunt, and the two beside him probably his guests.

## Unicorn Tapestries in New York, Paris, and Scotland

The challenge of the different scenes is what I expect from a HOP, but way too many HOPs, and difference scenes. The Metropolitan Museum of Art Bulletin. Paris: Editions de la Réunion des musées nationaux, 1989.

## The Hunt of the Unicorn

Today they are proudly displayed at Stirling Castle. The castle had been in 1793. The most extensive restoration work took place after the French Revolution.
