Don't Buy Replacement Windows For Your Old House

Be prepared to spend a lot of time picking out little things like cabinet knobs, trim, shelves, rugs, new pictures, doormats, window coverings and the list goes on and on. Strip the end of the sheathing, attach the wires to the fish tape, and tape them in place.

Don't Buy Replacement Windows For Your Old House

It is important to make sure you are not cutting into existing electrical wires, plumbing pipes, or other mechanicals, so be careful as you start cutting to inspect what's inside the walls. The goal is to have a smooth head that will easily slide through the hole in the wall plate without getting caught.
